

A cyclist in a white and black Patrick cycling kit is riding a white road bike on a paved road. The background shows a scenic mountain landscape with a large rock formation under a blue sky with clouds. The cyclist's kit features the Patrick logo and 'l'Esprit du Sport' text. The overall design includes a red geometric pattern on the left side.

MISSION

One of the most important values within Patrick Cycling is the pursuit of maximum customer satisfaction. Together with our customer service, which is always at your disposal, we have a team of designers and product developers striving to be the best, day after day. As a result of our company culture, our verve and expertise of each individual employee, we are uniquely located to sell the best cycling products to a worldwide clientele. We have the power to be important to both the professional and non-professional riders, thanks to an open communication with our customers, a customized approach and because of the urge to be the best.

Een van de belangrijkste waarden van Patrick Cycling is het streven naar een maximum klantentevredenheid. Naast onze klantendienst die elke dag voor u ter beschikking staat, hebben we een team van designers en productontwikkelaars die elke dag streven om nog beter te zijn. Door onze cultuur, onze drive en de deskundigheid van elke individuele werknemer, zijn we uniek gepositioneerd om de beste cyclingproducten te verkopen aan een wereldwijd klantenbestand. Door een open communicatie met onze klant, onze drang om de beste te zijn, een gepersonaliseerde aanpak, zijn we in staat om veel te betekenen voor zowel de professionele renner als niet-professionele renner.

L'objectif principale de Patrick Cycling est d'obtenir la satisfaction maximale du client. En plus de notre service clientèle, nous avons une équipe de concepteurs et de développeurs de produits qui travaillent tous les jours pour améliorer nos collections. De par notre passion, notre dynamisme et l'expertise de chacun de nos collaborateurs, nous sommes idéalement positionnés pour vendre les meilleurs équipements de cyclisme à une clientèle mondiale. Grâce à une communication ouverte avec nos clients, notre désir d'être le meilleur et une approche personnalisée, nous pouvons fournir des équipements de grande qualité pour les passionnés de cyclisme, professionnels ou non.

DESIGN YOUR OWN CYCLING OUTFIT

STEP 1

Choose a template

Choose between the Performance and the Victory line and make a choice out of different models. We have 10 different templates for you to choose from

STEP 2

Choose colors

Choose the desired colors for your club. Try out some different options!

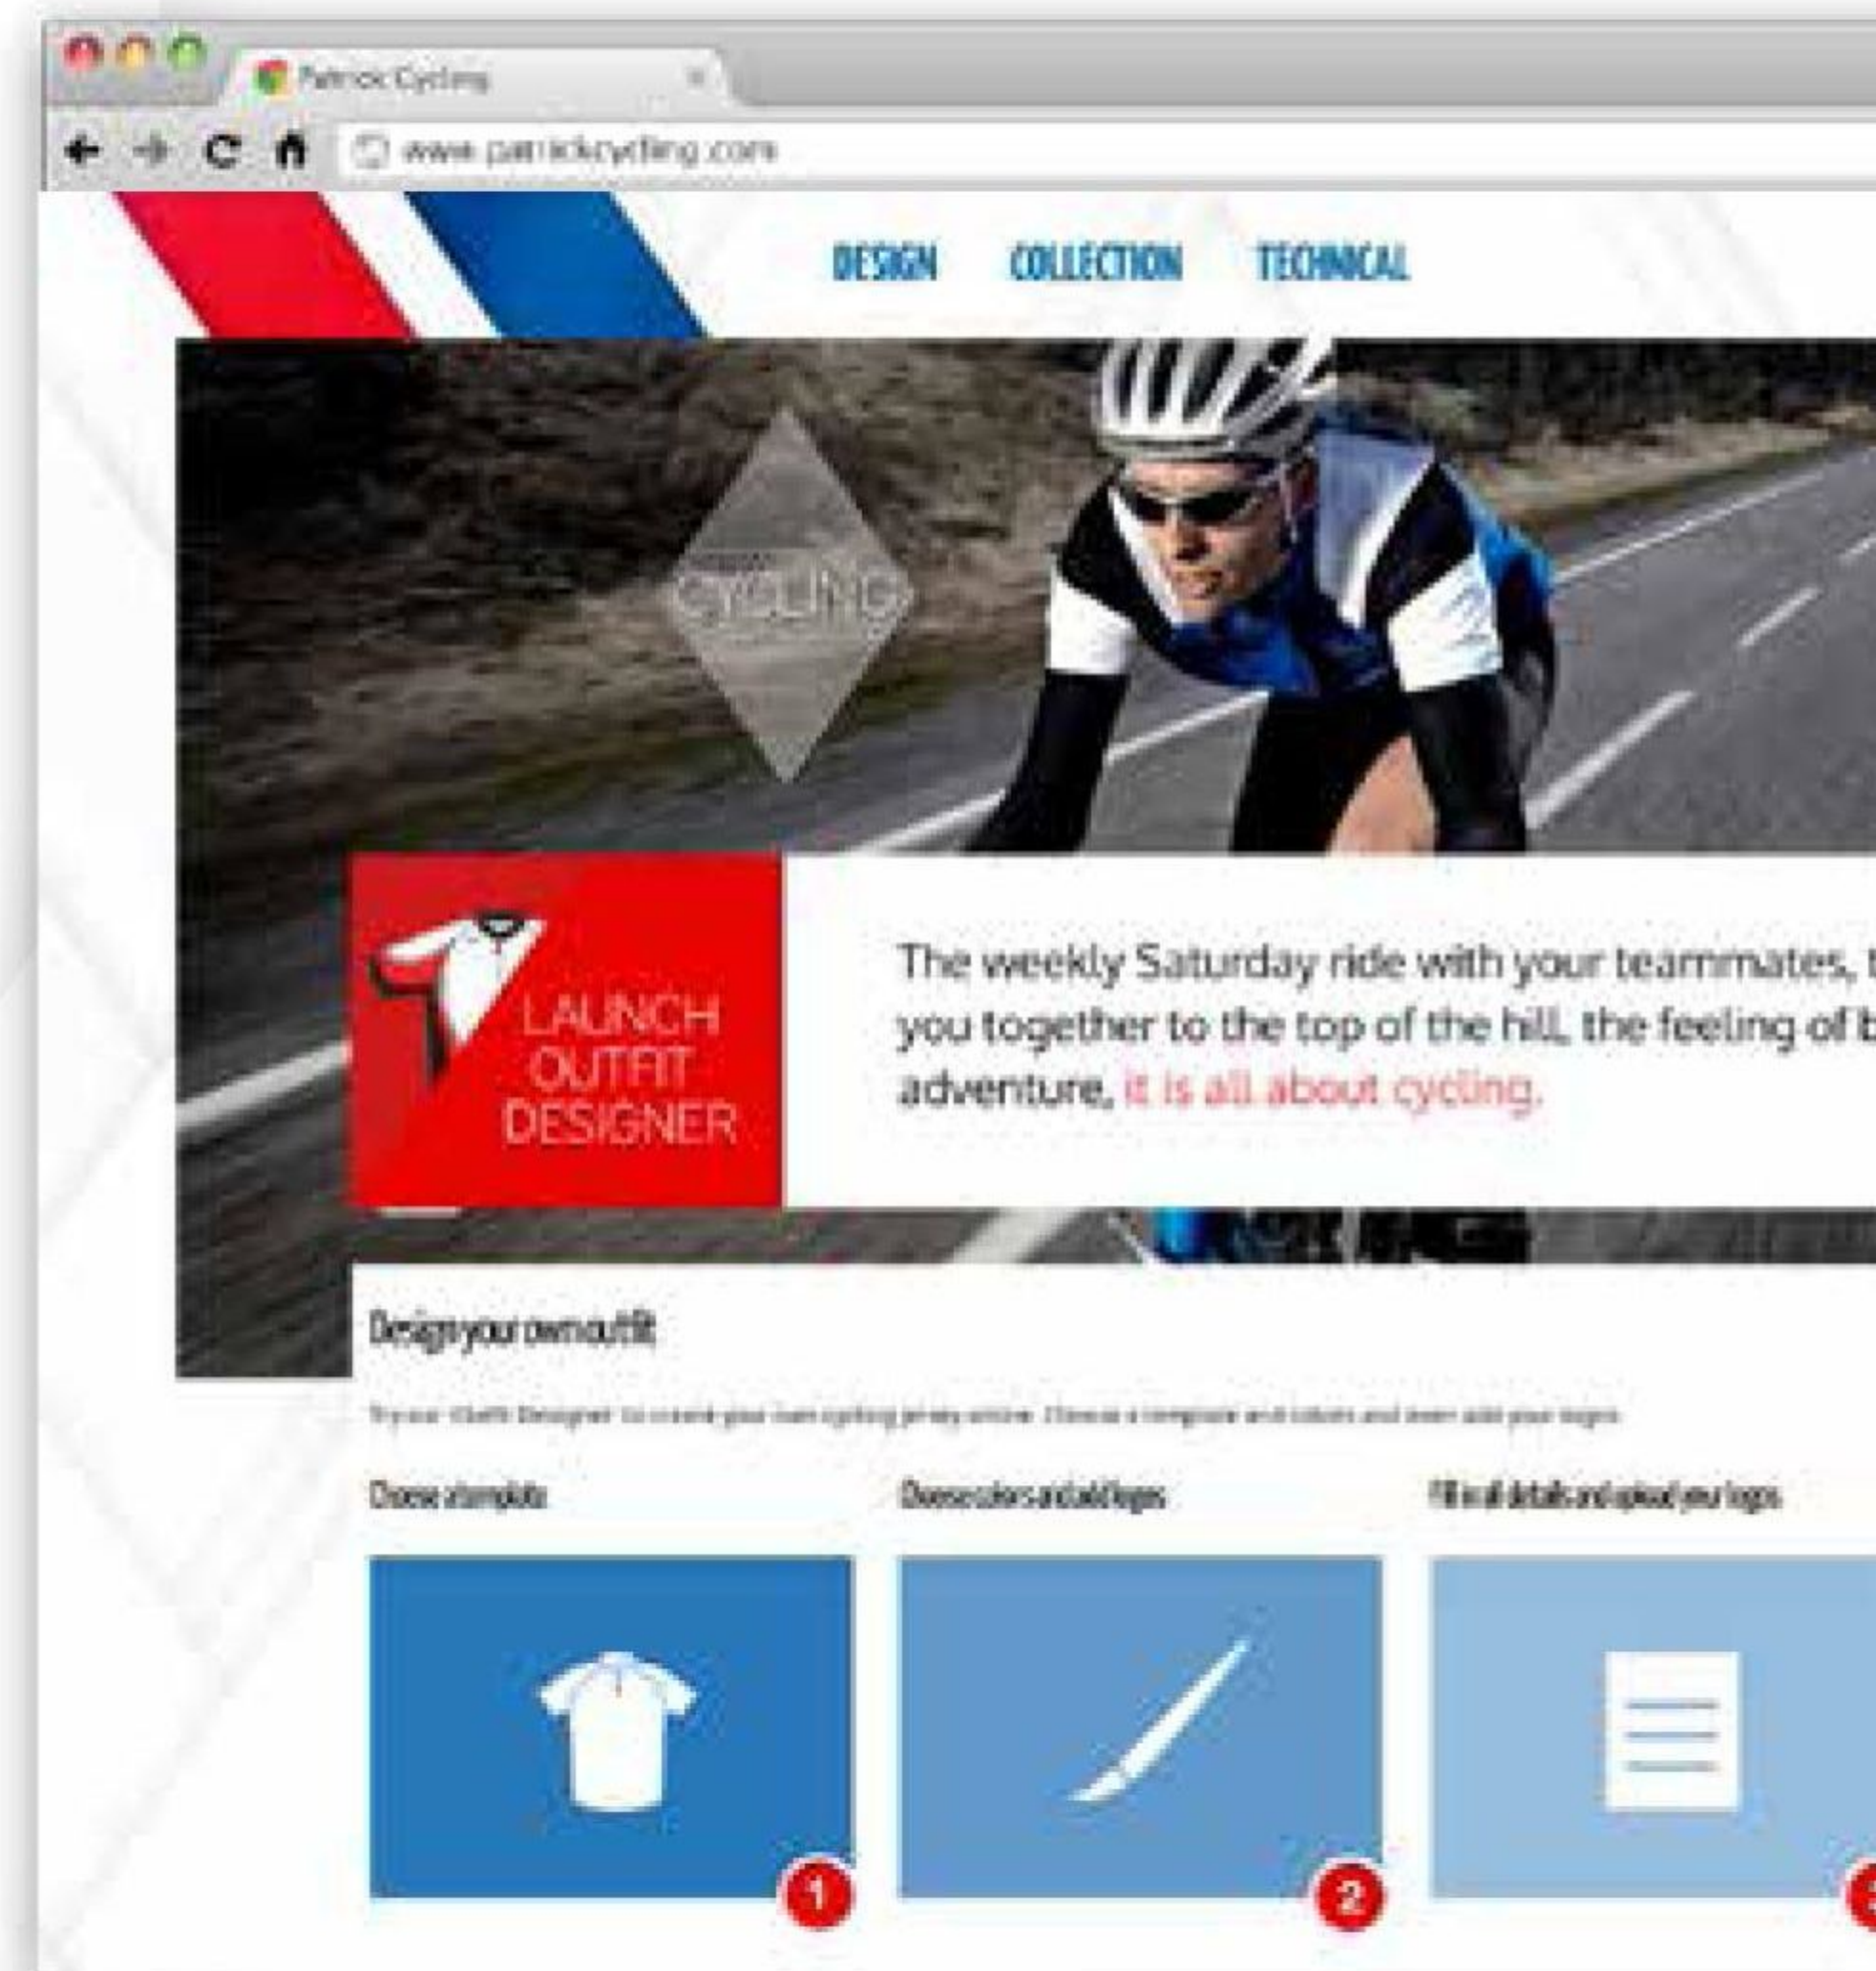

STEP 3

Add your own logos

To make your outfit even more personal, you have the possibility to add text and/or sponsors.

Do you prefer even something more customised? That's possible, we have a design team that can make something unique that fulfills your wishes. For more information, send a mail to info@patrickcycling.com

now it's
your turn

FABRICS

LYCRA® SPORT

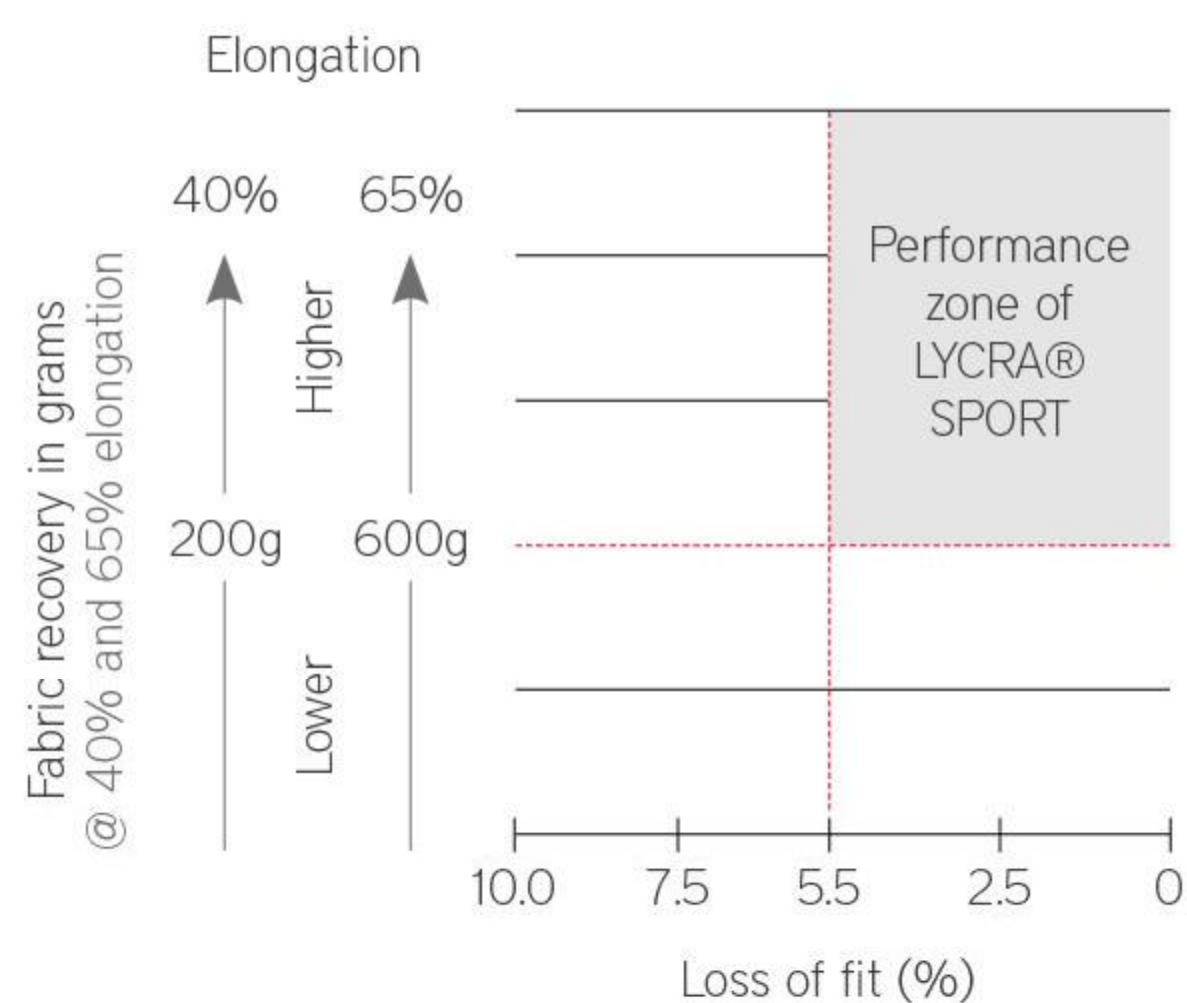

Fabric recovery and fit
Quality standards for performance
and comfort

Based on years of performance textiles research, LYCRA® SPORT fabric combines stretch fiber technology and demanding fabric performance testing standards designed for sporting activities that require a combination of:

- Lightweight
- Breathability
- Muscle support
- Freedom of movement

www.lycra.com

LYCRA® is a trademark of INVISTA

CARVICO FABRICS

Made in Italy

The elaboration of new technologies for producing innovative warp-knitted fabrics is made possible by Carvico SpA's active commitment to continuous research and development, exceeding even the most demanding expectations of swimwear, sportswear, and leisurewear manufacturers.

Carvico fabrics reach the market only once they have passed strict quality controls, guaranteeing that all fabrics featured in the range are new-generation, high-performance, and safe.

Brisbane

Brisbane is a two-way stretch fabric in polyester, characterised by its soft finish.

Malaga

Malaga is an opaque charmeuse fabric that offers the perfect balance between light weight and elasticity.

190 g/m²

Morea

Morea is a lightweight, opaque charmeuse fabric that provides a perfect fit and absolute comfort.

82% Polyester
18% Elastane
170 g/m²

HI-TECH SHORT PADS

Engineered by CYTECH

Elastic Interface® Technology: the original elastic pad technology for cycling shorts, developed after extensive R&D, for the most comfortable cycling shorts ever.

Elastic Interface® Technology offers:

- All-Ways-Stretch: Best Freedom of Movement
- Full Support for Saddle Stress
- Fast Moisture Transport & Best Breathability

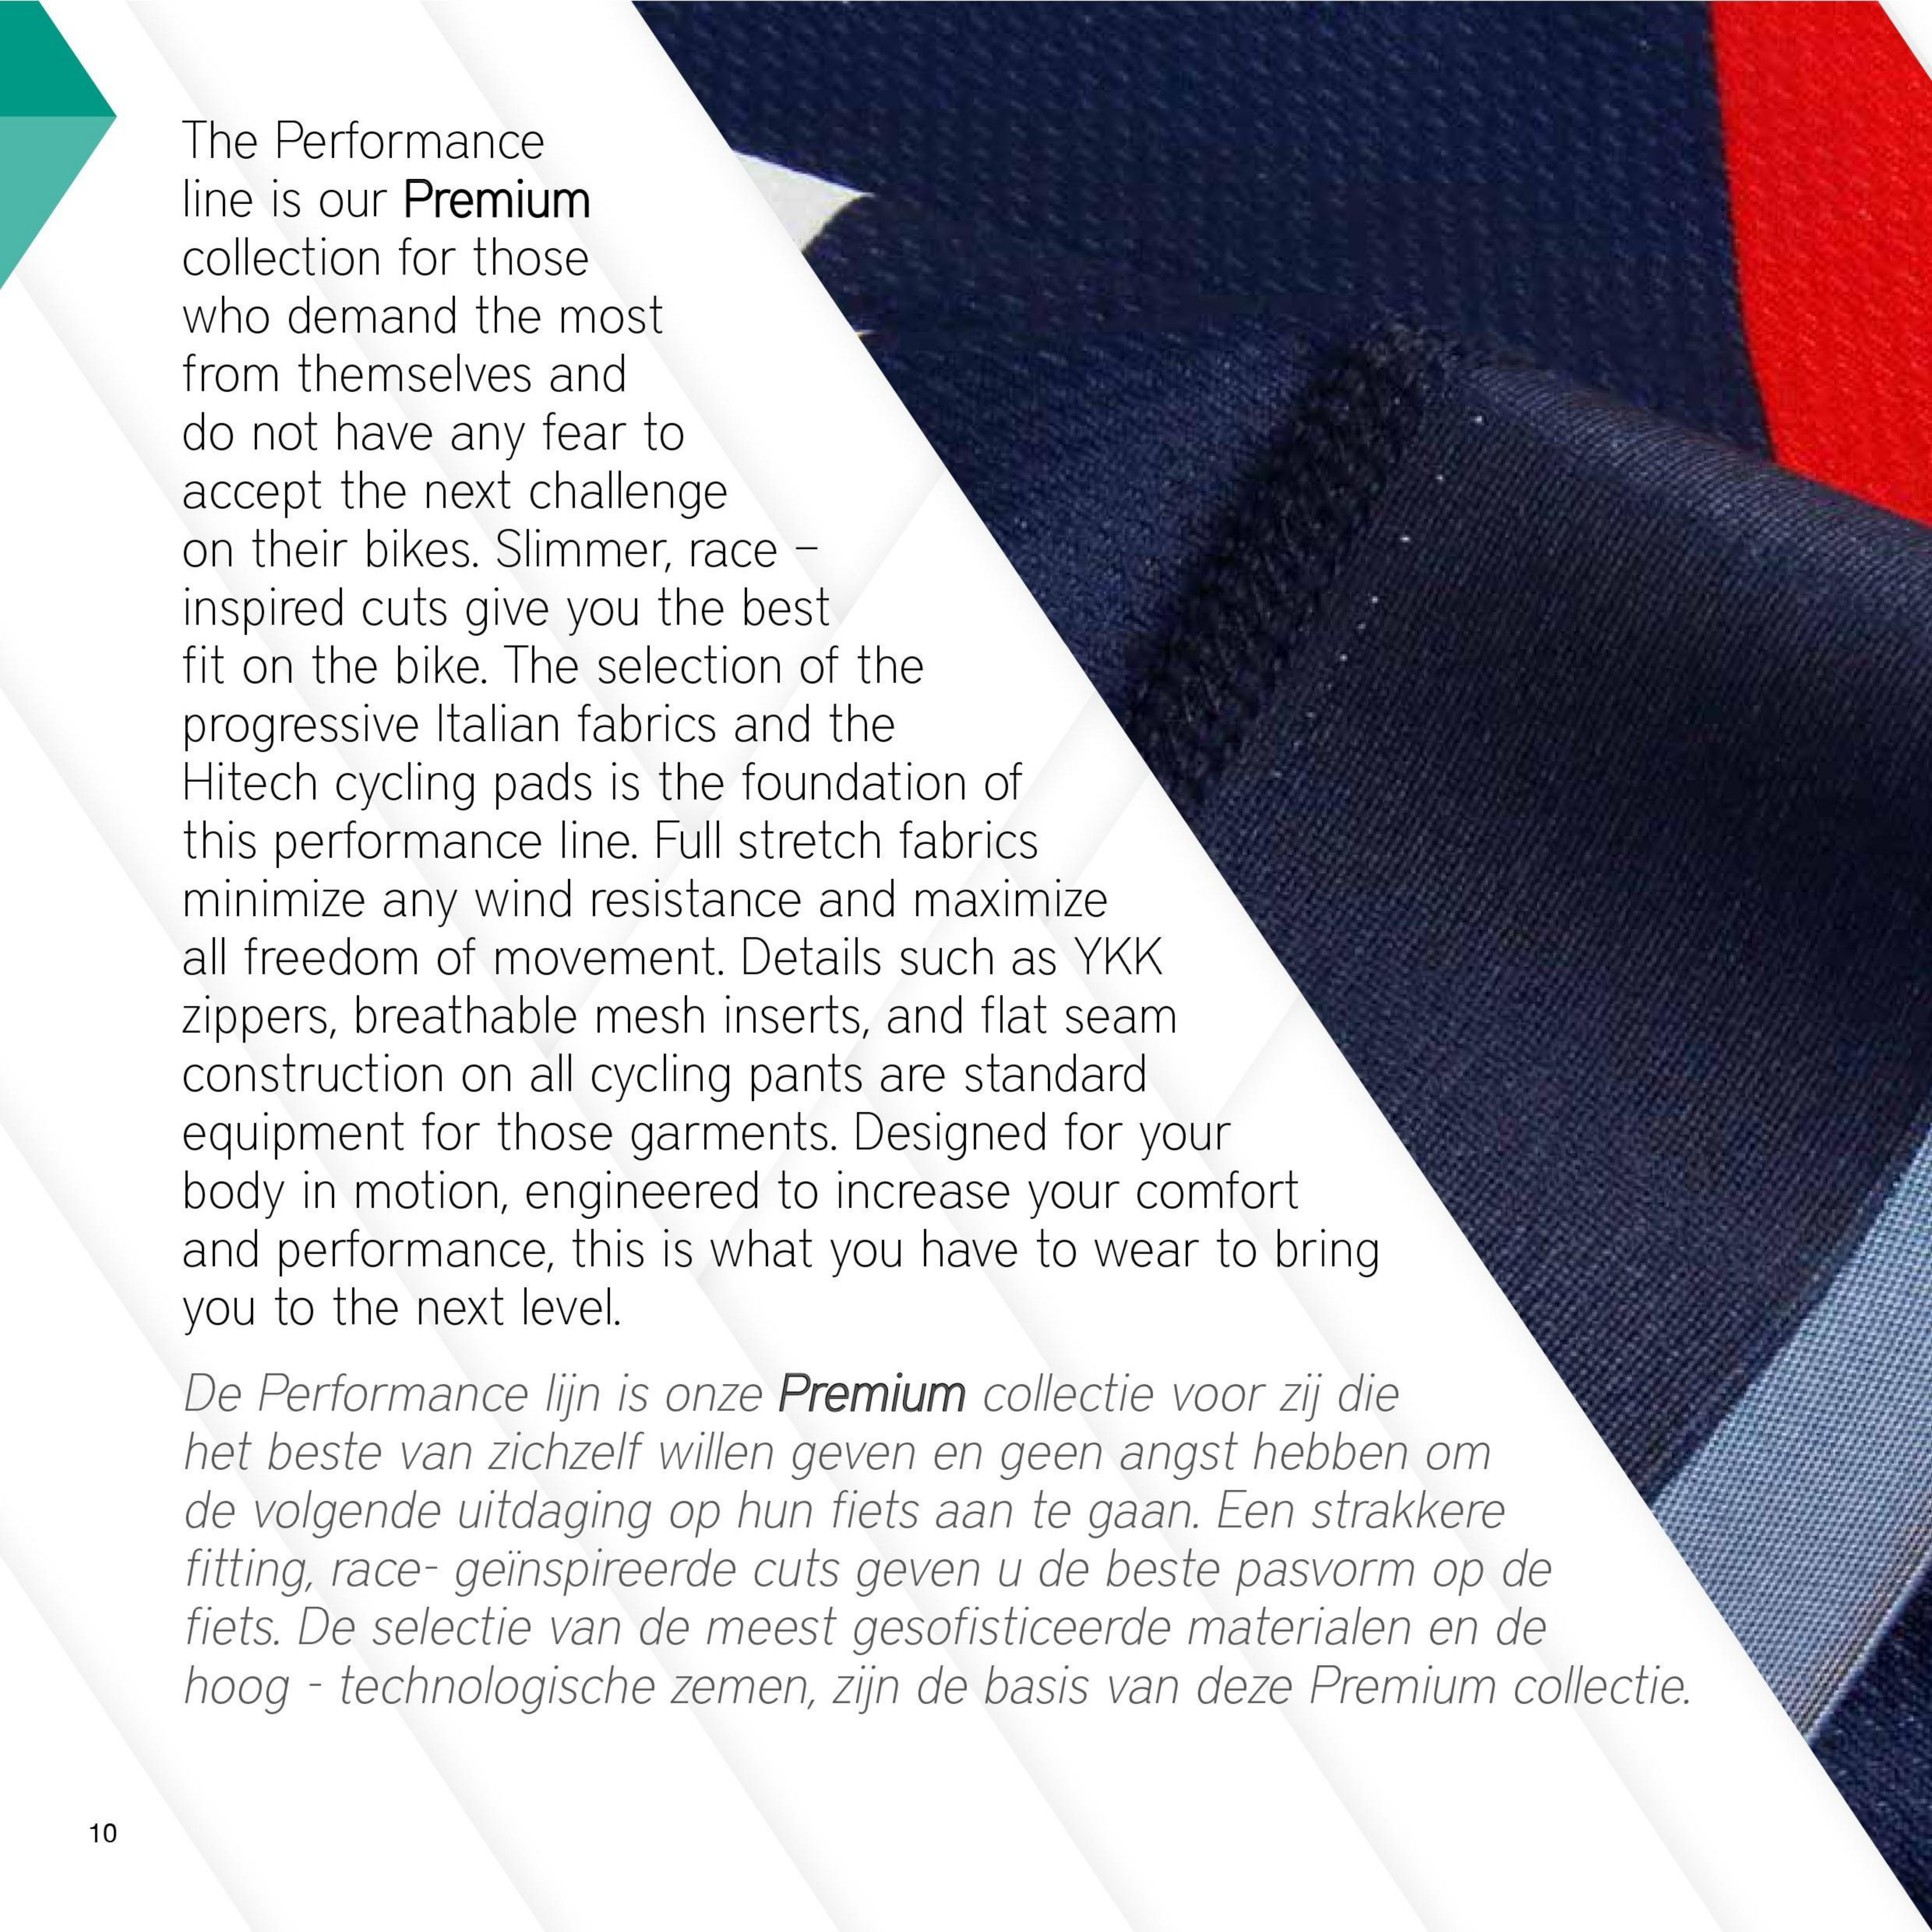

E.I.T. Pads: Washing Instructions

- Wash prior to first use.
- Wash only on delicate cycle at 30°C/86°F.
- Use neutral, non-aggressive detergents.
- Keep like colors together (light+light / dark+dark).
- Don't leave soiled clothing unwashed, as residual sweat will damage the garment.
- Avoid using dryers (only low temps & short duration)

PERFORMANCE COLLECTION

The Performance line is our **Premium** collection for those who demand the most from themselves and do not have any fear to accept the next challenge on their bikes. Slimmer, race – inspired cuts give you the best fit on the bike. The selection of the progressive Italian fabrics and the Hitech cycling pads is the foundation of this performance line. Full stretch fabrics minimize any wind resistance and maximize all freedom of movement. Details such as YKK zippers, breathable mesh inserts, and flat seam construction on all cycling pants are standard equipment for those garments. Designed for your body in motion, engineered to increase your comfort and performance, this is what you have to wear to bring you to the next level.

*De Performance lijn is onze **Premium** collectie voor zij die het beste van zichzelf willen geven en geen angst hebben om de volgende uitdaging op hun fiets aan te gaan. Een strakkere fitting, race- geïnspireerde cuts geven u de beste pasvorm op de fiets. De selectie van de meest gesofisticeerde materialen en de hoog - technologische zemen, zijn de basis van deze Premium collectie.*

Duurzame stretch stoffen verminderen de windweerstand en vergroten het draagcomfort. YKK ritsen, ademende mesh inserts, en platte naden zijn standaard eigenschappen voor deze collectie. Ontworpen voor uw lichaam in beweging, ontworpen om uw comfort en uw prestaties te verhogen, dit is wat je moet dragen om naar het volgende niveau te gaan.

La ligne Performance est notre collection **Premium**, créée pour ceux qui exigent le meilleur et qui n'ont pas peur d'affronter les défis. La coupe 'près du corps', inspirée pour la course, vous offre les meilleures conditions sur votre vélo. Le choix de tissus italiens avant-gardistes et d'un chamois GIRO de haute qualité complètent les caractéristiques de cette ligne Performance. Les tissus stretch minimisent la résistance au vent et optimisent la liberté de mouvement. Des détails tels que, fermeture éclair YKK, l'utilisation de tissu mesh respirant et les coutures plates sur tous nos pantalons, sont des éléments standards sur notre collection. Conçu pour suivre les mouvements du corps et augmenter votre confort, c'est LE produit que vous devez porter pour améliorer vos performances.

BOTTOMS

MEN

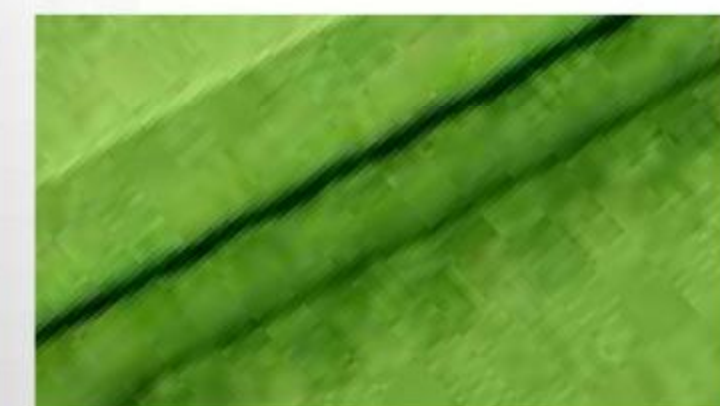

A close-up photograph of a cycling short. The main body is red, and the waistband and side panels are dark blue. A black zipper pull with a red logo is visible on the left. A white reflective strip runs vertically down the center. A red arrow points to a textured, perforated foam pad on the blue side panel.

CyTech created the E.I.T. Giro Men short pad insert to meet the need for a lighter weight pad with superior protection, an imperceptible but functional chamois. E.I.T. Giro Men provides added value to medium-high shorts, with high-end features like E.I.T. Cube microfibre, perforated foam for maximum ventilation, anatomic three dimensional shape to avoid chafing, an attractive look and the great all-way stretch of Elastic Interface® Technology.

VICTORY COLLECTION

The Victory collection is a designed collection for those “who want to have the best Cycling gear at the best price”. Italian breathable fully stretched fabrics and small important details are dominating this line. Inspired by the passion we have for cycling, this is the line which will meet the needs of every cycling warrior.

De Victory lijn is ontworpen voor zij die de beste fietsuitrusting willen tegen de beste prijs. Italiaanse bi-stretch stoffen en belangrijke kleine details zijn de basis van deze lijn. Geïnspireerd door de passie die we hebben voor fietsen, dit is de lijn die zal voldoen aan elke fietskrijger.

La ligne Victory est une collection conçue pour ceux qui veulent “le meilleur équipement de cycling au meilleur prix”. Tissus bi-extensibles italiens et les petits détails importants sont à la base de cette ligne. Inspiré par la passion que nous avons pour le cyclisme, c’est la ligne qui saura satisfaire tous les amoureux du vélo.
