# HISTORY

“Patrick, l’Esprit du Sport”, originally a French brand, was founded in **1892** by Patrice Beneteau. With a lifespan of over a hundred years, the brand can look back on an extremely rich history. Famous soccer players like Platini, Keegan, Papin preferred Patrick shoes. Patrick made different shoes for **all kinds of sports disciplines** such as rugby, cycling, squash and athletics. The shoes were manufactured in a small factory in Vendée, France. As soccer and cycling were big and growing at that time, Patrick produced and distributed their patented line, famous for the **2 stripes** at the side of the shoe.
